

Today

at Childsplay I will...

- 1** Make a prediction: What is your favorite part of the Goodnight Moon room? How do you think it will be brought to life?
- 2** Talk about nursery rhymes. Today's performance includes characters from nursery rhymes. Ask your children to recall as many characters as they can from their favorite nursery rhymes. Which ones do they like the best? Why?
- 3** Create your own goodnight book! Visit our 360° Theatre table and make your very own book about all the things in your room that you wish "goodnight." Take it home and read it at bedtime tonight!
- 4** Discover a new book. Visit our book nook and find a book that you have never read before. Take it to a quiet corner in the lobby or out on the patio and enjoy!
- 5** "M" stands for "Moon"...and for mush and for mittens! When you sit down in the theatre, look carefully at the set and see how many things you can find that start with the letter "M."

There's always a place for education.

Amazing things are happening in schools throughout Arizona, but learning doesn't just happen in the classroom. Simple everyday activities can be turned into opportunities to teach a child something new and wonderful and prepare them for success in school. On the other side of this sheet are ways you can support your child's literacy skills while you are here today.

Arizona is the proud home of many amazing arts and cultural venues, providing countless educational opportunities for kids and adults to learn together. Expect More Arizona has partnered with the following organizations across the state to show parents how to experience each venue with their children in rich and meaningful ways.
