

# Today

## at the Lowell Observatory I will...

- 1** Draw a picture. Seeing pictures of celestial objects and getting to view them with your own eye is a unique experience. Draw a picture of your favorite planet or cosmic object you saw while at the observatory.
- 2** Tell a story. Find your favorite spot on the Lowell campus and reflect on your visit. Did you look through a telescope today? What is the most interesting thing you learned?
- 3** Predict the future. Where do you see astronauts or spacecraft traveling next? Will we travel farther than Pluto? Will mankind start living on another planet?
- 4** Visit the Clark Telescope. What is the most interesting part of the dome? Who first used this telescope and what did he observe?
- 5** Find the Clyde Tombaugh statue. What did Mr. Tombaugh discover and when? Why is he popular in the news recently?

Learn how you can get free admission to another great Arizona arts and culture destination. Simply upload a photo of your family doing one of these activities at [TodayInAZ.org/Activities](http://TodayInAZ.org/Activities).

### There's always a place for education.

Amazing things are happening in schools throughout Arizona, but learning doesn't just happen in the classroom. Simple everyday activities can be turned into opportunities to teach a child something new and wonderful and prepare them for success in school. On the other side of this sheet are ways you can support your child's literacy skills while you are here today.

Arizona is the proud home of many amazing arts and cultural venues, providing countless educational opportunities for kids and adults to learn together. Expect More Arizona has partnered with the following organizations across the state to show parents how to experience each venue with their children in rich and meaningful ways.

Visit [TodayInAZ.org/activities](http://TodayInAZ.org/activities) to download an activity sheet for any of the partners listed below.

This program is made possible thanks to generous support from APS, our partner in the movement for world-class education for all children.

Visit [TodayInAZ.org](http://TodayInAZ.org) for more quick tips you can use to support your child's education.
